To All Club Members
FORTRAVEL MOTOR CLUB – MID-SOUTH CHAPTER

Dear Members:

Shirley and I are looking forward to getting together again with each of you later this year. We will not be able to be at the Buddy Rally which will be in Nacogdoches May 17th to 19th, however, our Vice President, Roy and Shirley LeTourneau, #10727, will be there. We are enthusiastically looking forward to our Fall Rally to be held in Kerrville, Texas October 18th – 21st. Our heartfelt thanks go to Rich and Francille Holmer, #15456, and Jerry and Pete Wright, #16147, who originally volunteered to be Assistant Wagon Masters but because no one volunteered to be the Wagon Master, they have agreed to be co-Wagon Masters for our Kerrville Rally. Thanks Rich and Jerry.

I have been talking to them and they already have what looks like an exciting schedule for our get together. Mark these dates on your calendar.

Speaking of Wagon Masters, Roy and Shirley LeTourneau are looking for Wagon Masters for the 2008 Rallies. If you have not yet been a Wagon Master, it is time to think about volunteering for that fun activity. Yes, it is a lot of work, but it is rewarding and fun!

Attached you will find the following:

1. The minutes from the March 2007 Spring Rally.
2. The financial report for that Spring Rally. WOW! Look at the final results and how close Robert and Linda Curtis, #11601, came to making it even with \$83.00 to the good. Thanks Robert and Linda for a wonderful rally.
3. The current Financial Report and bank balance.

We hope you all plan to attend the rallies. Either way, we will see you down the road.

Sincerely,

Jack and Shirley Frey
